Door Prizes:

We are looking for items with or without your company logo, such as shirts, sweatshirts, coats, coolers, totes, and etc. Gift cards are great items, too.

The prizes will be given away throughout the conference.

Thank you in advance for your participation!

Directors and staff of Telecom Training & Safety would like to invite your company to help sponsor our Telecom Training & Safety Conference and Showcase. Despite the name change, there has been no change in the format and we will be providing the same services and hope to continue building our relationship with you.

The conference and showcase is scheduled for Tuesday, February 14 through Thursday, February 16, 2012, at the Ramkota Inn, 800 South 3rd Street, Bismarck, North Dakota.

Join more than 250 professionals and decision makers from area telecommunications companies who come to network and learn about new technology. Take advantage of this marketing and promotion opportunity for your business to communicate with managers, directors, office workers, and technicians in one convenient location. An agenda will be available on line in January.

Exhibit space at the showcase is reserved on a first come, first serve basis. We do have room for vendors to bring in equipment to display. Exhibits will be in the Dakota Ballroom. All registered companies' names along with contact information will be included in the program booklet, if information is received by January 20, 2012.

Please complete the enclosed registration form and mail to: Telecom Training & Safety, 1615 Capitol Way, Suite 204, Bismarck, ND 58501, or fax 701.250.7913 by January 20, 2012 to be included in booklet. Registration forms will be accepted until the first day of conference.

If you have any questions, please call Tammy at 701.250.7911 or email tammyh@telecomtrainingsafety.com.

We look forward to seeing you at the 52nd Telecom Training & Safety Conference & Showcase.
